President's Welcome

On behalf of the Camanachd Association I am delighted to welcome you to the W M Donald MacTavish Cup Final 2025. This is the first year of the sponsorship agreement with W M Donald and the Association is extremely grateful to them for supporting this prestigious North of Scotland Championship competition. I am pleased to welcome them to the shinty community and look forward to developing a close relationship for our mutual benefit and that of the sport.

Today's teams are no strangers to success in this competition, Kingussie, the current holders, have continued as front runners this season and will start as favourites. Like many teams they are having difficulty finding a settled team due to injuries and availability, but coach Iain Borthwick has the knack of getting the best out of whatever line-up takes the field.

Lovat too have had difficulty finding a settled side but will relish the opportunity to challenge their opponents in a repeat of last year's Camanachd Cup Final which they narrowly lost. Their coach Iain Nicolson is in his first season in the post but has already demonstrated game management and tactical skills.

Today's final is the first to be played at the Bught since the refurbishment of the grandstand and the provision of the new changing rooms was completed. This is a huge benefit for shinty and the wider sporting community in the Highlands and on behalf of the Association I would like to express my appreciation for the support of Highland Council and the commitment of High Life Highland staff and Clark Contracts for delivering this project in time for today's game.

Whilst not available for today's event, the completion of the new building adjacent to the stand is eagerly anticipated. This will provide exhibition space for 'Shinty's Story – Sgeul na Camanachd', a hospitality suite, catering facilities and office space all of which will bring huge benefits to shinty and other sports played at the Bught, we look forward to seeing it later this year.

Finally, let me wish both teams the best of luck.

Burton Morrison

Sponsor's Welcome

W M Donald is proud to welcome players, officials, volunteers and supporters to the 2026 W M Donald MacTavish Cup Final.

Today's final brings together two of the most successful clubs in the history of this great competition, as Kingussie and Newtonmore meet in the MacTavish Cup Final for the first time since 2009. Few rivalries in sport can match the tradition, quality and passion associated with these two clubs, and we are delighted to support an occasion that means so much to shinty communities across the Highlands.

At W M Donald, our work is centred on building and maintaining the infrastructure that connects communities throughout the North of Scotland. Through our roads, utilities and civil engineering projects, we see first-hand the importance of strong links between towns, villages and the people who call them home.

Shinty creates those connections in its own unique way. Week after week, clubs bring communities together, strengthen local identities and create lasting friendships across the Highlands and beyond. The MacTavish Cup is a celebration of that spirit and of the enduring role shinty plays in communities throughout the north.

We are honoured to continue our support of this historic competition and would like to thank everyone whose efforts make today's final possible.

We wish both Kingussie and Newtonmore the very best of luck and hope all supporters enjoy an excellent day of shinty."stage for one of the sport's great days.

A MESSAGE FROM KINGUSSIE

On behalf of everyone connected with Kingussie Camanachd Club, I am delighted to mark today's occasion as we prepare for the 2026 W M Donald MacTavish Cup Final. The MacTavish Cup is one of the most prestigious trophies in shinty, and it is a privilege for our club, players and supporters to be part of another major occasion in the sport's calendar. As President, it is a particular honour to be attending my first MacTavish Cup Final in this role.

Today is an especially significant occasion as we face our near neighbours and great rivals, Newtonmore, in one of the most famous fixtures in shinty. The history between our two clubs stretches back through generations and has produced some of the sport's finest matches, players and memories. While there is always fierce competition on the field, there is also tremendous respect between our clubs and communities. Today adds another chapter to a rivalry that has played such an important role in the history of our game.

A cup final is about much more than what happens on the pitch. It reflects the dedication and commitment of many people behind the scenes. Volunteers, officials and supporters all play their part in ensuring our club continues to thrive, and occasions like today belong to them as much as the players.

I would also like to acknowledge Ronald Ross and his management team. Ronald's contributions to Kingussie as a player are legendary, and it is particularly fitting that he takes charge of the club in his first MacTavish Cup Final as manager. As always, I know our supporters will be out in force today and I thank them for the tremendous backing they continue to give the club.

Our sincere thanks go to the Camanachd Association for organising today's final and to everyone at Bught Park in Inverness for hosting this special occasion at one of shinty's most iconic venues. We would also like to thank W M Donald for their valued sponsorship of the competition and for supporting events that continue to strengthen and promote our sport.

Finally, I extend a warm welcome to everyone connected with Newtonmore Camanachd Club. The rivalry between our clubs has enriched shinty for generations and today promises to be another memorable occasion.

I wish our players and management team every success today and hope everyone in attendance enjoys a competitive, sporting and memorable W M Donald MacTavish Cup Final.

J. Scott Shiells
President
Kingussie Camanachd Club

PLAYER PROFILES
KINGUSSIE

1) Rory McGregor 30, Plumber
A superb shot-stopper and highly skilled with the stick, Bob's sweeping play, clearances and precise goal hits continually put opposition teams under pressure while helping turn defence into attack in an instant. His performances have already earned him the prestigious Albert Smith Medal and the MotM in last year's international.

2) Robert Mabon 28, Electrical Engineer.
Robert, the Macaulay and League winning captain in 2019, Player of the year in 2024 along with the honour of captaining his country, Robert is an outstanding full back and a hugely influential presence within the team. A commanding and dependable figure in defence, he has been a rock at the back throughout Kingussie's progression in recent years.

3) Liam Borthwick, 25, Electrical Engineer.
A versatile and dependable presence across multiple positions, Liam is blessed with outstanding pace and a fantastic man marker when needed, which makes him an invaluable asset over the full 90 minutes. Now bedding himself consistently in the back four and is enjoying a fantastic run of form and going from strength to strength.

4) Calum Grant, 27, Postgraduate Student
A commanding presence at the back, Calum's strength, physicality, and determination have helped establish him as a key figure in defence. His tough tackling and relentless winning mentality provide a solid foundation behind the team's success. As captain, he led the side to an outstanding 2024 campaign, securing a remarkable Grand Slam-winning season.

5) Alexander Michie, 26, Plant Hire Operative
A player with a complete all-round skill set, he combines exceptional technical ability with a physical presence in the heart of defence. His distribution is always at the heart of his all-round ability, often switching defence to attack with pinpoint accuracy, where his influence on the game is at its strongest.

6) Thomas Borthwick, 33, Electrician
Last year's captain and Mowi Player of the Year. A driving force in midfield, Tuck combines sharp shinty skills with tireless energy and intelligent play. His positive attitude and outstanding stick work are matched by a work rate that very few can sustain over the full 90 minutes.

7) Calum McLay, 27, Software Developer
A talented and versatile player, his ability to influence games from all areas of the park has made him a standout performer. On his arrival Calum has bedded in well and Kingussie are starting to see the very best of him in recent weeks.

8) Kieran MacPherson, 24, Assistant Greenkeeper
Back from Canada, Kieran has slotted back into the squad in recent weeks. Comfortable in almost any position on the park, his excellent reading of the game, combined with composed stick work, allows him to dictate play from deep and build attacks from defensive areas with confidence and precision. A player that has all the tools!

9) Ruaridh Anderson 26, PE Teacher (Captain)
This year's Captain, Ruars brings relentless energy and determination, covering every blade of grass in pursuit of victory. With blistering pace, outstanding shinty skills, and a habit of scoring crucial goals, he is a constant threat to any opposition. An Albert Smith Medal winner in 2024, we hope he adds to his goal tally as he did at this venue for Scotland.

10) Roddy Young 25, Shinty Development Officer
A talented forward and Mowi Player of the Year 2022. Roddy's strength and pace causes major problems in the final third. Roddy links in well with the other forwards and is showing a maturity in his all-round game, always a threat for goals at any time and in this given fixture in 2022 a goal in the final set him off on a run of six games and six hat tricks.

11) Dylan Borthwick 25, Plumber
A natural goalscorer, Dylan possesses a sharp eye for goal and the stick skills that very few in the game can match. His intelligent movement and close control make him a difficult challenge for any defender and with no type of goal out of his reach.

12) Savio Genini 28, Gamekeeper
A vastly experienced forward, Grand Slam Captain in 2022, Savio combines strength with sharp instinct, holding the ball up superbly and making it count in front of goal.. A constant nightmare for defenders, Savio's quality and experience make him a key attacking threat and has come up with some massive goals, a big game player.

14) Iain Fraser, 21, Apprentice Electrician
With excellent pace, composure, and movement, Iain has progressed through the youth ranks to establish himself as a key member of the first team. His sharp stick work and powerful forward drives regularly unsettle opposing defences while also providing vital support to the attacking line. Another youngster with a great future.

16) George Taylor-Ramsay 21, Gamekeeper
George has worked his way back to full strength after a broken ankle, he is once again showing his determination and hunger for victory. Known for his well-timed tackling and commanding presence, George is a difficult opponent to come up against.

17) Fraser Munro, 36, Plant Operator
His wealth of experience and impressive shinty IQ make Fraser a hugely influential figure on the pitch, both through his own performances and in the way he guides those around him. One of the more senior players in the squad, he maintains excellent fitness levels and continues to drive the team forward from midfield and remains someone the younger players look up to both on and off the field.

A MESSAGE FROM NEWTONMORE

Welcome to Bught Park and the 2026 W M Donald MacTavish Cup Final. Newtonmore Camanachd Club are delighted to once again be contesting the W M Donald MacTavish Cup Final at the iconic Bught Park.

I would like to congratulate Kingussie Camanachd Club on reaching today's final. The last time both our clubs met in a MacTavish Cup Final was in 2009, and I am sure that this year's contest will be every bit as competitive and entertaining.

TOM MACKENZIE STAND

The main stand at Bught Park has today been named in honour of Tom MacKenzie, trainer of the iconic 1952 Inverness Camanachd Cup winning team. The naming of the stadium completes a full circle of crediting this amazing, humble, people-centric man with the sporting accolade he deserves.

Tom Mackenzie was a remarkable man, a war hero and distinguished public servant; a singular individual with an unparalleled record of public service and sporting commitment. He was one of the most important individuals in the developing and changing face of shinty throughout his lifetime.

He was known across many parts of the Highlands due to his activities in the shinty, Highland Games, Ben Nevis Race and wider athletics landscape and community support. He died aged 91 on 22 January 2005. From humble beginnings, of which he was extremely proud, he strived to make a difference to people and communities in an understated way whilst collecting numerous honours including OBE, MM, JP. and was made Freeman of Inverness. He was also Town Missionary, renowned for his hospital visiting and selfless community service detailed in a published biography Lest we forget.

The Bught Park is the home ground of Inverness Shinty Club and a venue for major cup finals, including today's W M Donald MacTavish Cup final. The recent upgrades at the Bught Park were made possible due to support from the UK Government's Levelling Up Fund, and sportscotland's National Lottery Fund.
