President's Welcome

On behalf of the Camanachd Association Board and staff, I am delighted to welcome you to Mossfield Park, Oban for the 2026 Tulloch Homes Camanachd Cup Final. This venue has hosted cup finals for over a hundred years, and the trophy has been lifted by the victorious team against the background of the iconic 'hill' on each occasion.

Today's final brings together the Badenoch giants Kingussie and Newtonmore who along with Kyles Athletic, have dominated this competition throughout its history. It is a repeat of last year's final which saw Newtonmore emerge as champions after a narrow 3-2 win. This season so far has seen the team from the Eilan dominate the Premiership and remain unbeaten after 15 games. Kingussie outfought their closest rivals to win the MacTavish Cup but lost out narrowly to Oban Camanachd in the Macaulay Cup final. So, today's final, as with all Badenoch derbies, is extremely difficult to call. Both teams will be hoping that earlier injury concerns have been alleviated and can go into the final with their full-strength squads.

It is set up to be an intriguing encounter, and I look forward to witnessing both teams demonstrate all that is good in shinty; skill, fitness, discipline and sportsmanship, including respect for the referee and his team of officials.

We are hugely indebted once again, to our title sponsors Tulloch Homes without whose substantial support we would not have been able to deliver this final today. We are especially grateful to their Managing Director, Kieran Graham who has been particularly supportive of shinty in general, making himself available throughout the season for cup draws at various stages of the competition. Our relationship with Tulloch Homes is now moving into its tenth year, and they have become a very established part of the shinty landscape. I look forward to seeing this link, which brings mutual benefits, being sustained into the future.

My best wishes for a successful day also go to match referee Steven MacLachlan and his team of officials. This appointment has been particularly well received in the shinty community as Steven's recovery from a serious health incident a couple of years ago is quite a remarkable story.

My thanks go to the staff at the Association and the team of volunteers from Oban for all the hard work that goes into making this final possible. The playing surface at Mossfield is recognised as one of the best in the country and credit for this goes to the local ground staff team. Well done!

Prior to this afternoon's final, the MacMaster Cup for under 14 teams will be competed for by Kilmallie and Kingussie. This is always a good opportunity for shinty followers to check out the emerging talent in the game, and I am sure that today's teams will demonstrate a high standard of shinty which augurs well for the future of the sport.

I hope you all enjoy a great day of shinty.

Burton Morrison
President Camanachd Association

Sponsor's Welcome

The Camanachd Cup Final is the pinnacle of the shinty sporting calendar and it is a pleasure to welcome you all to this year's final.

Tulloch Homes is proud to continue our partnership with this iconic competition. Now in our ninth consecutive year as sponsors, we remain committed to supporting a sport that sits at the heart of rural communities.

The Camanachd Cup is about far more than what happens on the pitch. It brings together players, volunteers, families and supporters from across the country, united by a shared passion for a sport steeped in history, tradition and community spirit. These values resonate strongly with us at Tulloch Homes, where building thriving communities is central to everything we do.

Today's final between rival teams Kingussie and Newtonmore promises to be another memorable occasion. Reaching this stage of the competition is a remarkable achievement and reflects the dedication, hard work, and talent of everyone involved. Both teams have shown fantastic performances throughout the competition and have certainly earned their place in today's cup final.

Shinty continues to play an important role in preserving and celebrating Highland culture, while inspiring the next generation of players and fans. We are proud to support a competition that helps ensure the sport remains strong and continues to flourish for years to come.

On behalf of everyone at Tulloch Homes, I would like to thank the organisers, volunteers and supporters who make this event possible year after year. Your passion and commitment are what make the Camanachd Cup such a special occasion.

I wish both teams the very best of luck and hope everyone enjoys what promises to be a fantastic day of sport.

"We're absolutely buzzing, the mood throughout the camp is really good - we've got the added incentive of it being a derby. It's the best day in the shinty calendar so I'm really looking forward to it as always!"

It's always such an honour to represent Kingussie in these big games. You always go into these games with confidence and when you're enjoying your shinty then this confidence comes. The feeling never gets old."

Ruaridh Anderson,

"The boys are really excited for the game and are itching to get going."

Looking back to the semi, there's a lot of teams that would've folded and given up, I was buzzing seeing them digging in deep in extra time and getting that penalties win.

Growing up you dream of winning The Camanachd Cup - I'll be happy as long as the trophy is in Newtonmore's hands tonight."

A MESSAGE FROM KINGUSSIE

On behalf of everyone connected with Kingussie Camanachd Club, it is a great pleasure to welcome you all to the Tulloch Homes Camanachd Cup Final. There can be few more fitting occasions for a national final than a meeting between two old rivals, and this contest sees Kingussie and Newtonmore renew a rivalry that has been at the heart of Badenoch shinty for generations.

Newtonmore come into the final as defending champions and are having an excellent season in the League. We have great respect for what they have achieved, but this final gives our players the opportunity to compete for one of the most coveted trophies in shinty and to write another chapter in this great rivalry.

There is always something special about Kingussie playing Newtonmore. We may be neighbours, but once the first whistle goes, friendships and familiarity are put aside as both teams compete for the Camanachd Cup. We recognise the quality of Newtonmore, their players and management, but there is no doubt that both clubs will be determined to leave Mossfield Stadium with the trophy.

Reaching this final reflects the commitment and hard work of our players and management team. Representing Kingussie carries a responsibility because of the standards and traditions established by those who came before us, and our players understand what it means to wear the Kingussie colours.

Ronald Ross and his management team deserve great credit for their work throughout the season. Ronald's contribution to Kingussie as a player is legendary, and he has brought that same passion and determination to his role as manager.

Our captain, Ruairidh, has led the team with commitment and by example throughout the season. He and his teammates have earned their place in this final, and I know they will give everything to bring the Camanachd Cup back to Kingussie.

As always, I know our supporters will travel in great numbers to Oban, and I thank every one of them for the tremendous backing they continue to give the club. Their support is never taken for granted, and I know the players will appreciate hearing their voices around Mossfield Park.

Our sincere thanks go to the Camanachd Association for organising the final, to Tulloch Homes for their valued sponsorship of the competition, and to everyone involved in making this important occasion possible.

Finally, I hope everyone enjoys a competitive, sporting and memorable Tulloch Homes Camanachd Cup Final, played in the finest traditions of our sport.

THE ALBERT SMITH MEMORIAL MEDAL

The Albert Smith Memorial Medal is the award given annually to the Camanachd Cup Final's most outstanding player – now commonly referred to as the man of the match - the blue riband trophy of the sport of shinty. It has been presented every year since 1972 by the Smith family of Fort William in honour of Albert Smith (Born in 1888, Lochuanagan, Fort Augustus). Mrs Rena Smith, who was married to his only son, Victor Smith, presented the medal at the final for many years. Albert's grandson, Victor Smith, a former player for Fort William Shinty Club and captain of Scotland, has recently been awarding the medal on the day and will do so again this year. Victor's son Victor Jr and daughter Zoe are distinguished shinty players.

The medal was first awarded by the Smith family in collaboration with the Camanachd Association in 1972 and has been won by many distinguished players, who are amongst the greatest to have played the game. It is not always realized that the medal is presented for the winner to hold for one year only and it is returned before the final to be passed on to the next winner. The original practice was to inscribe the medal itself with the winner's name, but this soon became impractical and medal plates were added to the ribbon with each winner's name.

The medal has been presented on 53 occasions with the 54th presentation now due this year.

KENNETH A. MACMASTER TROPHY

The Kenneth A. MacMaster Trophy was donated to the Camanachd Association in 1992 by David MacMaster, Strathpeffer for National Competition at the Under 14 age group. The trophy was presented by David to honour his father's outstanding contribution over the years to shinty in general, but in particular to youth shinty, and is inscribed - ' Presented in recognition of his dedication to the future of Camanachd.'

Ken MacMaster, as he was known throughout the shinty world, captained the Caberfeidh team in 1934 which was the first team to win the Camanachd Cup, the MacTavish Cup and the MacGillivray League Cup in the same season and was President of the Camanachd Association from 1970 to 1973. He had also served terms as both Chief and President of the North of Scotland Shinty Association and when he passed away in 1996 at the age of 91 was Chieftain of Caberfeidh Shinty Club, having previously served for many years as President. He was still coaching players of Fodderty Primary School at the age of 89.

Ken was also heavily involved in the running of the Ross-shire Camanachd Association, whose centenary was in 2020, but due to the Covid 19 pandemic, celebrations of this occasion had to be cancelled. As part of these celebrations, it was decided that an award should be made annually to the outstanding player in the final of the Kenneth A. MacMaster Trophy. To this end a salver was commissioned, with Somhairle Burrows of Skye being the first recipient. The winner of the award also receives a personal token to mark their achievement.

The teams contesting this year's final are Kilmallie and Kingussie and David MacMaster will be in attendance today to make the presentations.

ceann a' ghiuthsach

1. Olly Garrick

Olly is a goal keeper who is growing in confidence as the season has gone on playing in goals. We've seen him progress very well this season.

2. Fergus Stewart

This year's captain, Fergus is such a great leader of the group. Well natured but when times get tough, is the first one to help and try and support his teammates vocally and physically.

3. Josh Luxton

The master of the buzz cut, one of those players you always enjoy having around. Doesn't take himself too seriously and works his socks off. His efforts this season have been incredible. Always pops up with a goal or two in important games

4. Harry Stewart

The u14's vice-captain. Harry comes from a massive shinty family and gives his all in every game he plays - he gets what it means to play for the club.

5. Carley Campbell

Youngest player in the squad but by no means the weakest. Carley has a great determination to be first to the ball and always makes her opponent know they're in for a hard shift.

6. Charley Kennedy

For the u14's Charley has been a bit of an enforcer. She thrives on the physical battles and never shy's away from a challenge. She can play in all positions and always just gets on with whatever game she's in.

7. Taylor Cameron

Taylor has put a lot of work into developing her game and is willing to do the extra work to better her all-round skills - she's an excellent role model for players.

8. Maisie Ewing

One of our stronger hitters in the u14's. Maisie has a great technique of hitting a clean ball. She has a great eye for goal and has scored a lot of important ones from a young age.

9. Rocco MacMillan

Rocco is a player who just wants to be better and better at everything he does. His work ethic is unbelievable and he's been a massive part of the team this far. He's great a linking up with his teammates and also pops up with some screamers.

10. Michael Stewart

Another player who's benefited massively from being involved with both u14's teams this year. Micheal has incredible fitness and energy - he's so fast off the mark. One of the team's characters that always has us all smiling!

11. Brodie Ross

A really neat player who can keep the whole team calm with his presence. Brodie is a very skilful player who always gives his all and doesn't mind the harder training nights one bit.

12. Connor Campbell

The oldest in the squad, Connor is a bit of a spoiler. He doesn't give defenders any peace and he's always up for doing the physical stuff for his other team mates to nip in and score.

14. Chase Watson

Chase hardly loses the ball and has incredible stick work and fitness, doesn't mind the physical side of the game too.

15. Leo Lopez

Another two team player. Leo has been heavily involved in both u14's teams. He thrives on the physical side of shinty. He enjoys the battles to win the ball and has a very strong hit. Another fan of the buzz cut.

17. Cian MacLean

Cian is a clinical player having great awareness to always find himself a pocket of space to get a shot away. One the coaches has nicknamed him Ally McCoist.

18. Jessica MacNiven

Comes from another shinty family. Jessica has three older brothers that play and you can tell when you see the way she plays. She doesn't mind getting stuck in and does very well at competing for the ball. Has played for both u14's teams this year and has bagged herself a load of goals so far.

20. Ollie Lamont

One of the younger players in the squad. You never see Ollie without his stick - his knowledge of game is very impressive. His parents say that he's obsessed with shinty, you can tell by just watching Ollie on the park. He's very determined, skilful and is always there to make a challenge to win the ball back.

Coaches:

Liam Cameron, Bryan MacKay & Kevin Stewart

1. Somhairle Dawson, 13

A good eye for the ball and has made some crucial saves at big moments this season.

2. Archie Shepherd (C), 14

This year's u14's captain, Archie is a quick, strong tackling, committed defender who loves to hit a long ball.

3. Brigid Murphy, 13

Strong in a tackle, determined defender with a great attitude

4. Sloane Gillfian, 12

Very versatile player, tenacious in defence and comfortable on the ball.

5. Ross Adamson, 14

Has had an excellent season, very positive vocal player who plays on the front foot.

6. Malki Mainland, 13

Has made the wing centre position his own this year, great engine and tidy player.

7. Donald MacLeod, 14

Could play any position, strong, hardworking, a fantastic blocker who is comfortable on both hands.

8. Coby Farquhar, 12

Moulding into a very good wing centre, disciplined, skilful with an eye for goal.

9. Joep Mommertz, 13

Already a proven goalscorer who is very direct, accurate and powerful striker of the ball on both sides.

10. Murray Mainland, 11

Youngest and smallest in the team but fast and skilful with a bright future in the game.

11. Reid Paterson, 12

Very talented player, 2 sided, great attitude and a prolific goalscorer.

12. Kayla Gow, 14

Strong in a tackle, comfortable on both sides and links the attacking play selflessly.

14. Struan Dunn, 13

Very fast and strong player, shows great determination and attitude.

15. Robyn Cirkov, 12

Strong tackling player who is committed and determined wherever he is asked to play.

16. Cara MacLeod, 12

A skilful player who is disciplined in the wing forward role and also knows where the goals are.

Coaches:

Ali MacLeod & Paul Gow

"We were delighted to reach the final after beating a very good Kinlochshiel side and expect Kilmallie to be just as tough an opponent."
