WELCOME FROM THE PRESIDENT

On behalf of the Macaulay Association I welcome you all to today's cup final. We hope you enjoy the match, whether as a supporter of your team, or a neutral spectator and a special welcome to visitors who may be attending a shinty match for the first time.

This afternoon's final is between Newtonmore representing North shinty and Kyles Athletic representing the South. Neither team are strangers to the Macaulay Final, both having appeared in numerous finals over the years. In the North semi-final It was only after extra time that Newtonmore overcame Lovat to reach the final. Kyles defeated Oban Camanachd in the South semi-final after a close match to take their place in the final. We look forward to a great match between these old rivals who without question the most famous clubs in the shinty world.

The Macaulay Association would like to thank Artemis for their continued sponsorship of our Association and through us that sponsorship reaches all levels of shinty - senior, juvenile and womens shinty al benefit from their generous sponsorship

We are delighted to welcome the BBC who will broadcast today's final live on television and radio. I would like to thank the committee members of the and all the helpers who make this final one of the best in the shinty calendar.

David Thomson - President, Macaulay Association

MRS FLORA MACAULAY

Mrs Flora Macaulay, the visionary editor of the post second world war Oban Times, recognising that there was little competition for clubs after the completion of the Sir William Sutherland Cup and the Camanachd Cup (the final being played in April at that time) presented a fine silver trophy for competition amongst "all the senior shinty clubs of Scotland". The first round of the competition was to be played in June with the final in July.

In December 1946 the Macaulay Cup Association held its first meeting with Archie MacInnes, Oban's Town Clerk and a former Ballachulish player, as President and Donald Cameron, the advertising manager of the Oban Times as Secretary. Founding committee members were Major Harry Dunn, Archie Gillespie, Bob MacLachlan and Walter Paterson.

Twenty one clubs entered the first competition by the closing date of the 15th of February 1947. The first final in which Newtonmore defeated Ballachulish 4-1 attracted a crowd of 4000, the largest up to that date which had attended a match at Mossfield Park.

MESSAGE FROM OUR SPONSOR - ARTEMIS

Artemis is delighted once again to be sponsoring the Macaulay Cup Final. Shinty has more in common with fund management than one might think - courage, skill, timing and talent are essential to both. Today the players will want goals as much as we want profits for our investors.

We wish both teams all the very best.

MESSAGE FROM SCOTT TURNER - CLUB PRESIDENT

It is a great honour for us to once again make the trip to Oban to compete in another Macaulay Cup Final. When we take to the field along with our old rivals and friends Newtonmore, we can only hope to produce a spectacle befitting this great competition.

Mossfield Park is arguably the best venue for a cup final in the whole of shinty, a great facility at the heart of a true shinty town.

We hope today's teams put on a spectacle the sport and the organisers deserve.

GORDON WHYTE - CAPTAIN, KYLES ATHLETIC

The youngest of three Whyte brothers playing today, Gordon is fast, skillful and fully committed to Kyles and to our sport.

Gordon's family have a long Kyles history. Indeed the present day Whytes are a vital part of the very fabric of the club.

Three brothers playing in the first team (with another to come). Dad Tom, himself a fine player, now does terrific work looking after The Playing Fields, while mother Rhone takes care of the club's finances.

It will be a very proud house hold and village should Gordon get to lift the famous trophy.

JAMES PERLICH - COACH

It is around eleven years ago since James was brought into the Kyles setup to try and take the fitness levels up to the next level.

Over the years he has become a vital part of the club, assisting Norman MacDonald with the everyday management of the first team.

With Norman stepping down at the end of last season after many years of great service, it was time for James to take full control of team matters.

Greatly respected by the players and dedicated to the Kyles cause 24/7, James will ensure the team are as ready as they can be.

NEWTONMORE CAMANACHD - CHIEFTAIN'S REMARKS

We were disappointed to lose out on the opportunity of a hat trick of Macaulay victories in 2016 by not making it to the final. The trip to Oban for the final is one which both the players and supporters look forward to. We are very glad to be back.

We have enormous respect for Kyles Athletic with whom we have a great rivalry. Although we have had the better of the two games with Kyles this season, we know that this will count for nothing when the whistle blows this afternoon. We have experienced disappointment at Kyles hands before and with our injury list reducing we are very confident that we will give a good account of ourselves. I would like to thank our sponsors, Aberdeen Considine for their support over the last eight seasons and hope they have appreciated the publicity that our success in recent years has brought them.

The Macaulay Final is always very well organised and on behalf of the Club I would like to extend my thanks to the Macaulay Association and the event sponsors Artemis.

RORY KENNEDY - CAPTAIN, NEWTONMORE

It is a surprise to realise that Rory is still only 25 as he has been a regular in the first team since making his breakthrough as a 16 year old in 2008. He quickly became the mainstay of the defence and was the club's player of the year at the age of 18 when we won the first of our premier division titles in 2010. He is one of the outstanding players in shinty today.

Away from shinty Rory is a part of Toncam cleaning management and lives in Newtonmore with partner Nicole.

PJ MACKINTOSH - NEWTONMORE COACH/MANAGER

PJ as he is known by everybody played in the first team as a teenager and then an army career took him away from home. On his return he has thrown himself into the game serving the club as a player, coach, committee member and manager. He gives 100% to everything and is the key to the success of the team. He also has a great sense of humour and is often to be found exchanging banter with the opposition manager and players. Works for Russwood Timber as Operations Manager.

THE MACAULAY SIXES

In June each year the Macaulay Association stages a Six-a-Side competition for children who are of primary school age. This popular event regularly attracts entries of 35 - 40 teams. The competition presents an opportunity for younger players and teams to put a toe in the water, and for the more capable and experienced sides to test their skills against equally capable opponents. Competition is fierce with skill and ability required to come out on top.

The Boys of the Eilan

Shinty in Newtonmore 1820 - 1945

Rosemary M. Gibson
with Rob Ritchie

Rosemary Gibson's book *The Boys of the Eilan* marks the 125th year of Newtonmore Camanachd Club. The author weaves together press reports, club records, personal reminiscences and local shinty literature to illustrate the growth of the Newtonmore Club from its early struggles to national champions. The Club's history is set within the wider context of the development of camanachd from a folk pastime to an organised sport. The author presents the evolution of the shinty club within the social context of the transformation of Newtonmore from an obscure village into one of the most popular holiday resorts in the Highlands.

*Reviews of her previous book *The caman is their past time from the cradle to their graves*:*

Fascinating and beautifully produced - West Highland Free Press

Meticulously researched - The Scots Magazine

The author very successfully charts the evolution of shinty

in its social, economic and cultural context - Scottish Local History

Absolutely fantastic....a fine piece of work - Christine French

TODAY'S MAN IN THE MIDDLE

Building site manager Robert Baxter is the man appointed to maintain law and order from the middle in today's encounter between old rivals Kyles and Newtonmore.

Baxter graduated through the ranks of juvenile and junior shinty in his native Tighnabruaich to reach first team level with 'The Kyles'. He has experience of representing both of today's teams at senior level, having played at The Eilan for Newtonmore 1sts in the early nineties.

He is particularly pleased to have been appointed to officiate at today's final as his father, also Robert, captained the Kyles team of 1977 when they defeated Glenurquhart 2-0 in the Macaulay Final.

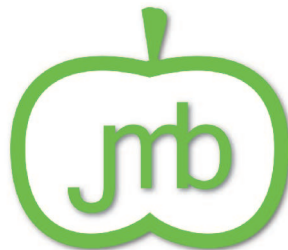

He is in his 11th season as a referee and has experience of being in charge at the Glasgow Celtic Society cup final in 2015 and the final tie of the Camanachd Cup at An Aird last year.

He is looking forward to adding a Macaulay medal to his collection this afternoon.

Davie Hamilton, Macaulay Association Secretary, presents the South semi-final man of the match award to Gavin Stobbart of Oban Camanachd.

David Thomson, Macaulay Association President, presents the North semi-final man of the match award to Stephen MacDonald of Newtonmore.
