WELCOME FROM THE PRESIDENT

On behalf of the Macaulay Association I welcome you to today's cup final. We hope you enjoy the match, whether as a supporter of your team, or a neutral spectator and a special welcome to visitors who may be attending a shinty match for the first time.

Today's final is between Kingussie representing North shinty and Oban Camanachd representing the South.

Both semi-finals produced close games with Oban Camanachd defeating Glasgow Mid Argyll 1-0 and Kingussie, the holders, defeating Kinlochshiel 2-1. We look forward to a close match between these old rivals.

The Macaulay Association would like, once again, to thank our sponsor Artemis for their continued support. Through the Association the wider shinty community including junior, women's and senior shinty all benefit from Artemis sponsorship of the Macaulay Association. I would also like to thank the local businesses who have helped us in any way with advertising, banners etc.

Finally, I would like to thank the committee and helpers who make this day possible

David Thomson - President, Macaulay Association

MRS FLORA MACAULAY

Mrs Flora Macaulay, the visionary editor of the post second world war Oban Times, recognising that there was little competition for clubs after the completion of the Sir William Sutherland Cup and the Camanachd Cup (the final being played in April at that time) presented a fine silver trophy for competition amongst "all the senior shinty clubs of Scotland". The first round of the competition was to be played in June with the final in July.

In December 1946 the Macaulay Cup Association held its first meeting with Archie MacInnes, Oban's Town Clerk and a former Ballachulish player, as President and Donald Cameron, the advertising manager of the Oban Times as Secretary. Founding committee members were Major Harry Dunn, Archie Gillespie, Bob MacLachlan and Walter Paterson.

Twenty one clubs entered the first competition by the closing date of the 15th of February 1947. The first final in which Newtonmore defeated Ballachulish 4-1 attracted a crowd of 4000, the largest up to that date which had attended a match at Mossfield Park.

MESSAGE FROM OUR SPONSOR - ARTEMIS

Artemis is delighted once again to be sponsoring the Macaulay Cup Final. Shinty has more in common with fund management than one might think - courage, skill, timing and talent are essential to both. Today the players will want goals as much as we want profits for our investors.

We wish both teams all the very best.

MESSAGE FROM KINGUSSIE CAMANACHD SHINTY CLUB

It is great for our club and supporters to be back at Mossfield today for the Macaulay Cup final. This competition holds a special place for all Kingussie players past and present and there is something very special about the only cup that guarantees a North v South final.

Iain Hay always has Mossfield in great condition and the Macaulay Association committee always put on the best occasion possible which ensures a great day out for everyone.

Today we meet old foes Oban Camanachd and we under no illusions about how hard this game will be. We seem to be meeting them in big games every season at the moment which shows the progress of both clubs over recent years. Camanachd have some of the most exciting young players in the sport and they play great shinty so it will make for another exciting match up.

May the best team win.

Russell Jones - Past President, Kingussie Camanachd Club.

MESSAGE FROM KINGUSSIE CAPTAIN

It is a complete privilege and a proud moment for me to be able to lead Kingussie into our fourth Macaulay final in a row. We have been preparing well and we are very aware of how hard a game this will be.

We have met Oban Camanachd in this final in three out of the last four years and we know we are in for another hard but good game of shinty today.

Oban are a skilful and quick team who can easily punish any mistake so we know what to expect.

I'd like to thank the Macaulay Association for making sure this final is one of the best and it is always a great day and venue.

I'd also like to thank everyone at Kingussie, the committee members for everything they do and all friends and family in and around Kingussie for their support. We are all looking forward to a great game.

MESSAGE FROM OBAN CAMANACHD SHINTY CLUB

Firstly I would like to extend a warm welcome to all the supporters here at Mossfield today. A cup final in Oban is always a special occasion, none more so than when a local team is involved.

Today marks the third time in four years that we have reached the final of this competition which reflects the quality, strength and depth that this team has. All credit to our coaches. They have worked so hard with this group of players.

Having firmly established ourselves as the number one team in the south with our recent Glasgow Celtic Society cup final victory, this Macaulay final is an excellent opportunity to show that we are among the best teams in the country. A final which our supporters and club members look forward to immensely.

Our opponents once again are Kingussie. They have set the standard over the past year with a 'clean sweep' of league and cup shinty. They are formidable opponents, having beaten us by the odd goal in five in our last two meetings. We look forward to changing that statistic today by bringing the cup back to Oban.

Our thanks go to the Macaulay Association and sponsors Artemis for another successful competition this year. I hope all the supporters and the viewers at home enjoy an exciting, competitive and well contested final.

Best of luck to both teams.

Pat Steeman - President, Oban Camanachd

MANAGER'S STATEMENT

As manager of Oban Camanachd it's a huge privilege to be here at today's Artemis Macaulay Cup final

As always we know as a team that we have to be at our maximum to win the cup against Kingussie. But with the squad of players we have at our disposal we have a great chance on our home ground.

Thanks as always to the Macaulay Association and Ian Hay for a setting that is hard to beat.

It's been far too long since Oban Camanachd last won the Macaulay so best of luck to the red and blacks when they cross that white line. Daniel Sloss will get his bit done later this afternoon.

Gareth Evans - Manager

DANIEL SLOSS, CAPTAIN

Today's game against Kingussie will be a tough match, as it was in last year's final. We believe that as a team and a club we are constantly improving and if we stick to our game plan we will have a positive outcome

It's been a long time since we lifted the Macaulay Cup. Hopefully as captain on our home park I can help lead the team to that historic achievement..

TODAY'S MAN IN THE MIDDLE

Today's referee is Willie MacDonald from Fort William, officiating in his first Macaulay final. Originally from Ballachulish he started playing shinty at the local primary school winning the Lochaber area primary school league. He then went on to play for the Ballachulish senior team at the age of 13 and went on to represent the South in the Grampian Cup at Strathpeffer, defeating the more fancied North team.

He joined the ranks of Fort William shinty club just as they were promoted to the North first division. They quickly established themselves in the senior ranks and grew from strength to strength.

He played in the Macaulay Cup final of 1991 where Fort William won their first senior trophy in their history. The following year they lifted the Camanachd Cup against the much fancied Kingussie and was awarded the Albert Smith medal for his man of the match performance. He went on to win all the senior honours available to him.

In 1993 the Senior Scotland versus Ireland shinty / hurling series was resurrected and he was part of the team that famously beat Ireland in Inverness. He went on to win numerous caps over the following years.

He took up refereeing in 2016 and after a hip replacement in 2019 he quickly regained his fitness and returned to refereeing after Covid. He quickly established himself and has refereed the Strathdearn and MacTavish cup finals and today will add the Macaulay Cup final to his collection.

He is well known to both of today's finalist and they can expect a no nonsense approach from him. He will keep the game flowing to make it an enjoyable match for those attending today's match.

SHINTY MEMORIES

Shinty Memories Scotland is delighted to be able to continue supporting events and shinty clubs in Argyll and beyond. This past year has seen significant progress with meetings held in Inveraray where Shinty Memories is part of the local club's imaginative and ambitious five year development plan, and in Oban where a top class shinty exhibition which attracted significant interest and large crowds was the highlight of the last year.

It remains our intention to grow and expand the network of groups currently in place under the umbrella of Shinty Memories Scotland, currently chaired by David MacMaster of Caberfeidh. John MacKenzie MBE (Newtonmore) is the project ambassador.

The national group was formed to support the network using the sport's archives and other resources to help people with dementia and living with other issues such as depression and loneliness. The work is also contributing towards the establishment of a national shinty archive. Shinty Memories Groups are open to anyone and when they are set up they are supplied with sets of cards and other materials which have been prepared from various archives using images of players, trophies, pitches and badges. Various activities such as quizzes and fund raising veterans' matches are also part of the activities we try and organise.

Fund raising remains a key priority for Shinty Memories Scotland so that we can continue to help and support existing clubs and groups and also help extend the network.

We received a massive boost at the Tulloch Homes 2021 Camanachd Cup final with the presentation of a cheque for £7,500 raised through a special golf championship at the Craigie Hill Golf Club in Perth. The 2022 event took place at Kingussie GC and was won by Skye who will be defending their championship at Newtonmore in the 2023 competition at the end of this month.

There can be few clubs or families who are not aware of people who are living with the challenges of mental health issues such as dementia. Shinty Memories groups are now building sets of resources to be used to help people improve their recall, communication skills, self esteem and confidence. A new handbook is available to help with the operation of groups. Shinty images can be digitised for use of the project and safe return to owners and the forthcoming digitisation of the Shinty Yearbooks will be a great asset. If you would like to know more about setting up, joining or helping with Shinty Memory Groups, making a donation or help find sponsors to assist with costs, or can help supply materials for the memory boxes, please contact:

EDDIE HUGHES

Eddie Hughes had been involved in the Macaulay Association since the 1970's when he was the instigator of introducing the public address system for Macaulay Cup finals. He also played a major role in sourcing advertising material for the cup final programmes, travelling far and wide. Tighnabruaich and Inveraray (no internet in those days) to name a few, to obtain and agree copy format with advertisers.

At the Macaulay Sixes juvenile competition Eddie controlled the recording of the scores and the accuracy of league tables, a task that frequently involved lively debate with the youthful players where Eddie's humour and kindness never failed to bring about an amicable solution.

In latter years his role became that of raffle organiser at Macaulay finals and he proved to be the ideal man for the task, as he was difficult to get past without a purchase.

It is with great regret we record his passing, as people who possess the enthusiasm for the game of shinty that Eddie Hughes had are few and far between.

The Camanachd Association 1981 **FUTURE of SHINTY** **REPORT**

A LAST WORD

A totally important point was made in the Committee that any changes proposed should not be suggested just for the sake of empty change or to ape other sports but as the means of real redemption of our own game which has enriched the lives of generations of its followers in manly rivalry and good comradeship.

As a Committee, we have tried, as thoroughly as we could, to look at what should be done in sensible, realistic terms. We know that, to many, what we suggest may seem over-ambitious and dangerously hazardous while, to others, we may appear to have fudged issues and not gone nearly far enough. We hope we will have succeeded in the task given us if, at least, a new framework is established which can be sensitively adaptable to continuing change into the Twenty First Century.

Donald Skinner, the President of the Association, said, during the course of our deliberations, that we really could not consider shinty to have an assured future as some sort of divine right. Instead he suggested that, if all in the game adopted a sort of fiery cross spirit about it, we would go on having - and deserving - a sport second to none in the world.
