Proud sponsors of the MacTavish Cup since 2018

PRESIDENT'S WELCOME

On behalf of the Camanachd Association I am delighted to welcome you to the cottages.com MacTavish Cup Final 2024. This is the first time in many years that the final will not be played at the Bught Park, Inverness, and we are extremely grateful to Newtonmore Camanachd Club for providing the facilities for today's game.

The playing surface at the Eilan is regarded as one of the best in the country and today's teams will relish the experience of playing on it this afternoon.

Kingussie and Fort William arrive at the final from different leagues but both have made a successful start to the season. Each side has developed a strong playing squad and include a considerable number of talented teenagers in their ranks. Fort William last won this trophy in 2007 and know they will have to be at their best to repeat that success today. Kingussie will have got used to the favourites tag, but know they cannot be complacent as they bid for a hat-trick of consecutive MacTavish Cup wins. The referee today is Graeme Irvine, and we congratulate Graeme and his team of officials on their appointment as we look forward to an exciting final.

The Camanachd Association is extremely grateful for the support we receive from cottages.com in what is now the seventh year of their sponsorship of the MacTavish Cup. Once again, we welcome them to the final and hope that they have an enjoyable day witnessing a classic game of shinty played in beautiful Highland surroundings. Their commitment to this competition is highly valued.

Finally, my sincere thanks go to the officials and volunteers from Newtonmore Camanachd Club for their work in preparing the field and facilities for today's final, and also to our own staff for their commitment in organising and administering the event.

Best wishes to both teams.

Burton Morrison

President Camanachd Association / Ceann-suidhe, Comann na Camanachd

A message from the **CAPTAINS**

Kingussie captain **CALUM GRANT**

"We are delighted to be in the cottages.com MacTavish Cup Final again, we treat every final with the utmost respect and while there may be people outside of the club underestimating Fort William because they are in the league below, we certainly won't be - and that will be drilled into everyone at training this week. For the club, it's the first piece of silverware available in the season, so to win the MacTavish sets you up perfectly for the rest of the season and it shows who the best team in the North is so to win the trophy is incredible."

Fort William captain **VICTOR SMITH**

"It's huge for us to be playing in a cottages.com MacTavish Cup Final, absolutely delighted to be there. We are in the National Division but we have taken confidence from our game against Newtonmore, especially the first half before going down to 11 men and if we play to our best, why can't we cause an upset? The club haven't been to a major final in 10 years and to lead the team out on Saturday is going to be huge, I missed the start of the season with injury but I'm coming back into it now and really looking forward to getting out there."

A message from **KINGUSSIE CAMANACHD**

Kingussie Camanachd Club is honoured to be taking part in the 2024 cottages.com MacTavish Cup Final.

We are expecting a thrilling game against a Fort William side who have had an incredible 2024 so far and have shown in all competitions that they are a match for anybody and afraid of no one. During the 1990's and early 2000's there were many fantastic finals between the two clubs, and it is exciting for everyone in our club to meet The Fort at the 'sharp end' of a major competition once again.

KCC has the greatest respect for the time, effort and money Fort William Shinty Club have invested in improving and upgrading their facilities at An Aird and this can only pay dividends as they produce future generations of shinty players, no doubt inspired by today's cup final team. A great goalkeeper, solid defence, mobile and skilful midfield and forwards who can score at will make Fort an extremely dangerous opponent and nobody in Red & Blue is in any doubt about the size of the task in front of us today.

This Cottages.com MacTavish Cup Final may well be unique as being the only MacTavish Final ever played in Badenoch and The Eilan is a fabulous and iconic venue for any Shinty Final.

Today has all the makings of a fantastic cup final. Kingussie are looking forward to a fast-flowing, skilful match between two competitive teams, played on a top quality playing surface.

May the best team win.

A message from

FORT WILLIAM SHINTY CLUB

This is the club's first senior final since 2011 and it's great to be back competing for the cottages.com MacTavish Cup again.

All of us at Fort William are immensely proud of the players and the coaches who have worked tirelessly to make this happen. I must also recognise all the committee members, volunteers and coaches (both past and present) who have also contributed to making this happen. There is a huge amount of unseen work that goes into a club, and I want to take this opportunity to thank all of you.

The team has been led all year by coaches Neil Robertson and Alan Knox who along with team captain Victor Smith are looking forward to going up against Kingussie. It's been too long since we've had a Fort William vs Kingussie final, and I am sure their supporters are looking forward to it as much as we are.

I would like to thank Newtonmore for hosting this year's final. The Eilan is a fantastic venue with a great playing surface which will suit both teams.

Lastly, we hope everyone enjoys the day and thank you for all your support.

All the best

Player profiles

FORT WILLIAM S.C

1. Paul Mackay, 33, Joiner.

Fort William's oldest player in the squad, and the only one from the current squad to have played in a MacTavish snr cup final, losing to Kingussie in 2011 4-2

2. Johnny Forster, 22, Ski Instructor.

Johnny missed the start of the season due to work commitments but has fitted back into the team well, strong and versatile and can play anywhere at the back.

3. Craig MacDonald, 19, Apprentice Electrician.

Last season Craig played a lot in the midfield, but this season has settled really well in the defence, very strong player and can hit a good ball from back to front.

4. Hamish Shaw, 20, Electrical Engineer.

Hamish has a very relaxed approach to life and shinty and absolutely nothing bothers him. Don't let this attitude fool you though as he is a talented player comfortable covering every position on the park.

5. Jamie Duncan, 22, Saw Doctor.

Fastest player in the squad, settled into half back from last season and reads the game well. Strong tackler and has great quick stick work.

6. Calum Shepherd, 26, Flow Measurement Engineer.

One of the more experienced squad players, very physical and enjoys getting up and down the wing, seems to have endless running ability with an eye for the odd goal.

7. Sean Maclellan, 20, Mechanical Engineer.

A powerhouse in the midfield, aggressive and attacking player who loves a battle in the middle of the park. His hard work helps get the team moved up the field.

8. Lewis Clark, 23, Painter and Decorator.

This season vice-captain, excellent character to have around the squad. Can play anywhere from midfield to forward and enjoys the occasional screamer.

9. Lachie Shaw, 22, Electrical Technician.

One of shinty's most talented players, extremely skilful and difficult to stop when he is on form. Scored some cracking goals this year including the semi-final.

10. Cam Stephen, 18, Panel Beater.

Cam recently came up through the youth ranks and has earned himself a place in the squad. One of the hardest trainers at the club and is now adding goals to his game.

11. Archie Mackinnon, 18, Apprentice Joiner.

Archie has come up through the second team quite quickly, mainly due to his hard work and skills and now adding snr goals to his game. Likes to get the ball down and run at defenders with pace. One to watch for the future.

12. Jack Fraser, 29, Assistant Manager Mowli.

Jack still claims he is the best goalie at the club but has been doing a job for the team in the midfield this year. He has high standards and is a big presence in the changing room.

13. John Victor Smith, 22, Joiner.

This season's Captain missed the start of the season due to injury but has come back well. One of the finest touches in shinty with an eye for goal, has the ability to get a goal from nothing.

14. Alexander (Astie) Cameron, 27, Sawmillier.

Astie has re-established himself in the 1st team after spending a few years in Australia and what an asset he is to the team. A strong, reliable defender who's reading of the game sets him apart.

15. Ali Macrae, 23, Joiner.

Historical defender turned midfielder now turning forward. Has the ability to play anywhere on the park and does so without a gripe. Great hitter of the ball and is adding goals to his game this year.

16. Ryan Boyle, 23, Mechanical and Electrical Engineer.

A real all round shinty player that can turn his hand to any position, has played all over the park this season with some important goals too.

17. Arran Stephen, 16, SS Lochaber High School.

Another one to watch for the future, first class attitude, attacks and strikes the ball well, tough as nails and leaves nothing on the park. U17s Captain this year and younger brother to Cam.

19. Graham (Grambo) Campbell, 32, Scaffolder.

Graham alongside Paul is the elder statesman in the team. He has been a first team player for over 10 years now and seen it all. His work ethic, physical presence and eye for a goal has made him invaluable to the team.

Alan Knox, Manager, Advanced Paramedic Practitioner

Alan transitioned from playing to coaching only 2 years ago and has taken to it with an enthusiasm and talent that has driven this team onto our first senior final since 2011. Alan has a calm analytical approach that helps bring out the best in the players.

Neil Robertson, Manager, Ambulance Technician.

Neil has seen and won it all as a player and is bringing that experience into his coaching career. He has implemented an attacking style of play that the players have really taken to this year. Neil's calm approach under pressure will be key on cup final day.

SHINTY MEMORIES SCOTLAND

Shinty Memories Scotland (SMS) is renewing its appeal for support as it continues its recovery after the COVID pandemic. Like other areas of shinty, SMS is still having to meet some very significant challenges and a key difficulty is finding two or three individuals to help set up and run groups.

There are encouraging signs though, with new groups being planned in the south in Bute and Inveraray, where the local group is being woven into a fantastic five-year development plan, and the continuing success of groups in Lovat and Beaully provides models for further progress.

Covid placed a great strain on the groups and our national resources. However, SMS has organised the digitisation of the Shinty Yearbooks which will be an invaluable resource and a substantial number of videos taken by the late Kenny McColl at the Aviemore Sixes will also be used to entertain groups in the network. Further exciting digitisation projects are planned.

We need more support now than ever, and the scale of the challenge we face continues to escalate. However, it remains our intention to grow and expand the network of groups currently in place under the umbrella of Shinty Memories Scotland, for example in key areas such as Glasgow, Skye and Lochaber.

The national group was formed to support the network using the sport's archives and other resources to help people with dementia and living with other issues such as depression and loneliness. The work is also contributing towards the Camanachd Association's new Heritage Committee's activities and will have a key role to play in the new exhibition space at the Bught Park - Shinty's story - Sgeul na Camanachd. Shinty Memories Groups are open to anyone and when they are set up, they are supplied with sets of cards and other materials prepared from various archives using images of players, trophies, pitches and badges. Activities such as quizzes and fundraising veterans' matches can also be organised.

The Badenoch Shinty Memories Group continues its collaboration with the Highland Folk Museum as a model of developments in other areas such as Inveraray, Oban and Lochaber. Fund-raising efforts continue principally through the annual golf championship taking place once again in August, at Kingussie this time. The 2022 event on Perth was won by a group of bandits from Skye Camanachd and the 2023 edition at Newtonmore also saw the trophy return to the island!

There are few clubs or families who are not aware of people are who living with the challenges of mental health issues such as dementia. Shinty Memories Groups can provide sets of resources to be used to help people improve their recall, communication skills, self-esteem and confidence. A handbook is available to help with the operation of groups. Shinty images can be digitised for use of the project and safe return to owners. SPORT FOR LIFE

Our vision is an active Scotland where everyone benefits from sport.

In an active Scotland we will all find ways to be physically active every day. Keeping moving at home and at work. Taking an active approach to getting around. Choosing to be active in our leisure time.

An active Scotland is one where people are encouraged to take part in sport at all levels, meeting fewer barriers and feeling more included.

Wanted SHINTY REFEREES!

Referees are **vital** to the continued development of shinty and refereeing is an excellent way to keep fit and stay involved in the great game. The Camanachd Association are looking to recruit more male and female referees for the 2024 season and beyond, particularly for senior league and cup matches.

As a shinty referee you get:

- **Match fee & mileage allowance.**
- **Matches can be allocated on a local basis.**
- **Matches can be allocated to fit with your availability.**
- **The knowledge that you are giving back to Scotland's community sport.**

As a first step towards getting involved all you need to do is attend a **FREE** Foundation Refereeing Course.

If you are interested, or if you know someone who would be, please get in touch with:
