President's Welcome

On behalf of the Camanachd Association, it gives me great pleasure to welcome you to Blairbeg Park for the 2025 Highland Industrial Supplies Sir William Sutherland Cup Final. We are once again indebted to our title sponsors, Highland Industrial Supplies, for their continued commitment to supporting junior shinty and ensuring occasions such as this are possible.

This year's final promises to be a memorable one. Fort William, who last lifted the Sutherland Cup in 2009, face Kinlochshiel, whose last triumph came back in 1977. Both clubs bring rich histories and strong community ties to this competition, and their players now have the opportunity to write their own chapter in that story. The Sutherland Final has become one of the most anticipated days in the shinty calendar, and with the talent on display today, we can expect another enthralling contest.

I would like to congratulate today's referee Ewen MacLean on his appointment and wish him and his team of officials every success in ensuring a fair and sporting match.

Finally, my thanks go to Glenurquhart Shinty Club and their volunteers for the immense effort that has gone into preparing the pitch and facilities for today. Their hard work allows players and supporters alike to enjoy this showcase occasion.

I look forward to an exciting game, played in the very best traditions of our sport. May the best team win.

Burton Morrison

President Camanachd Association

President's Welcome

Ladies and Gentlemen,

Welcome to the 2025 Highland Industrial Supplies Sir William Sutherland Cup Final. On behalf of Highland Industrial Supplies, it is my pleasure to host today's match between Fort William and Kinlochshiel. Both clubs carry great tradition within our sport, and their young players have earned their place on this stage through determination, teamwork, and skill.

A huge thank you must go to the volunteers and committee at Glenurquhart Shinty Club, whose hard work has once again ensured Blairbeg Park is in superb condition for today's final. Their dedication allows us all to enjoy the game in the best of surroundings.

This year, I would also like to highlight something that goes beyond shinty itself – the importance of physical activity in supporting mental health. At every level, shinty plays a vital role in bringing people together, providing purpose, and strengthening wellbeing. It is a reminder that our sport is not only about competition but also about community and care.

Our gratitude must also go to today's referee, Ewen MacLean, and his team of officials. Their work is vital to ensuring a fair and enjoyable contest, and I wish them all the very best.

Highland Industrial Supplies are proud to support this historic competition, which continues to showcase the talent and spirit of junior shinty. I hope you enjoy what promises to be a thrilling encounter, and may the best team win.

PLAYER OF THE MATCH AWARD

The Player of the Match in today's Highland Industrial Supplies Sutherland Cup Final will be presented a trophy after the final whistle which they will keep it in their possession until the next final, similar to many of the other Player of the Match awards throughout shinty such as the Albert Smith Medal. This was kindly donated by Dr Hugh Dan MacLennan in 2023.

Sir William Sutherland, who donated the Sutherland Cup and indeed the new Man of the Match trophy that Dr MacLennan has acquired, was a Scottish civil servant, Liberal Party politician and colliery owner. He was closely associated with Prime Minister David Lloyd George and was a minister in the post-war coalition government.

The well-crafted trophy, embodying elegance and strength, symbolizes the achievement and will serve as a lasting testament to the skill, determination, and outstanding performance of the Player of the Match.

"I have always felt that the MOTM in the Sutherland Final should get an award and to retain this trophy for a year, complete with the enhanced base and silver bands added by Roddie MacLennan of Aird Artisans in Inverness." said **Dr MacLennan** who purchased the trophy over a decade ago for nearly £100. "I held onto it looking for a use and decided the 100th anniversary of the main trophy would be a good point to re-introduce it to shinty. It was advertised a shinty trophy for shinty introduced in 1905. The silver hallmark is confirmed as London 1905 but there are no references to be found so far for when it might have been played for. However, there are press reports in 1921 and 1922 of Sir William Sutherland attending events in Argyll and presenting a shinty trophy. Not the main trophy either I would say. So, this could either be the Argyll one or there may even be a third Sutherland Cup."

The recipient of the Player of the Match award will not only be honoured with this trophy but will also etch their name into the annals of shinty history.

A MESSAGE FROM **FORT WILLIAM**

Everyone at Fort William Shinty Club is delighted to be back in the Highland Industrial Supplies Sutherland Cup Final for the first time since 2014. All the players and coaches have worked incredibly hard to be in this position and are really looking forward to competing for the biggest prize in reserve team shinty.

The team has a great mix of youth and experience and is led by Scott McNeil, who has seen it all in Shinty, so there is no doubt he will have everyone ready to go.

Kinlochshiel are a team we have the utmost respect for and have had many tight games with over the years. We are delighted to share the field with them and hope both teams play a match worthy of the occasion.

Everyone at FWSC would also like to thank Glenurquhart Shinty Club for hosting the final and HIS for their continued support and sponsorship of shinty. It's tremendous to see companies like HIS continually give back and support the growth of Shinty.

Lastly, I would personally like to thank everyone who is involved in the club, from volunteers and parents to family members who do massive amounts of work behind the scenes, making the club what it is.

Yours sincerely

James Tangney
President
Fort William Shinty Club

PLAYER PROFILES

FORT WILLIAM

1) Stuart Disher, 25 - Goalkeeper - Carpet Fitter

Stuart is an outstanding shot stopper and has made some vital saves at critical moments throughout the year. He has recorded a number of clean sheets this year and will be looking for another one today.

2) Mark Grant, 32 - Defender/Assistant Coach - Master Craftsman

Mark is the team captain and is a leader on and off the field and is always encouraging and coaching the younger members of the squad. He is strong in the tackle and any forward playing against him will know they have been in a battle at the end of the game.

3) Gordon Stevenson, 21 - Defender - Apprentice Electrician

Gordon is very versatile and has played in every position within the defence this year. He has blistering pace and is a great reader of the game which allows us to transition quickly from defence to attack.

4) Ryan Cairns, 20 - Defender - Apprentice Electrician

Ryan is the most committed member of this squad. He never misses training or matches & is always willing to learn to improve his game and some great performances of late resulted in him getting a start in the Strathdearn Final.

5) Owen Ohagan, 16 - Midfielder - Apprentice Joiner

Owen still plays for the U17s & is an extremely versatile player. He has played in goals, defence, midfield & in the forward line this season & has performed extremely well in all the positions. With a great attitude and willingness to learn, Owen will be a vital player for years to come.

6) Cam Burns, 16 - Defender - Apprentice Electrician

Cam is the U17s captain and an excellent young defender. He is very strong at tackling and is great at shutting down attacks. Another youngster with a great attitude and willingness to learn, Cam has been able to adapt his game when moving into the midfield at spells this season.

7) Padraig McNeil, 26 - Forward - Saw Doctor

Padraig has an excellent eye for the ball, and his stick work is equally as good. He has been playing deeper in the forward line and his ability to pick a pass and open up defences has been a massive asset to us this year.

8) Dan Nixon, 24 - Forward - Joiner

Dan is the workhorse of the forward line. He is a defender's nightmare and will not give them a second while fighting for every ball. He has added goals into his game during the second half of this season and was on the scoresheet while winning the Strathdearn Cup.

10) Greig Kelly, 23 - Midfielder - Painter & Decorator

Greig has been deployed in midfield for most of the season but can slot into the forward line with ease and provide quality up there with his outstanding stick work and eye for goal. Over the last couple of months, Greig has shown the form that won him the second team player of the year last season, and if he keeps this form up, he will be a front runner for this award again.

9) Duncan Stevenson, 23 - Defender - Electrical engineer.

Duncan is a versatile player who can play anywhere in the defence or midfield. He has great pace and can read the game extremely well as well as being a wee terrier while tackling.

11) Angus Mackinnon, 17 - Forward - Student

Angus has made most of his appearances from the subs bench this season. When he comes on, he always brings pace and energy playing fast one touch shinty and is always willing to run and try to split defences open.

12) Lewis Murphy, 22 - Defender - Welder and fabricator

Lewis is a hard tackling defender who has a great desire to win every ball that enters his area and will provide energy for the full 90 minutes. His ability to dribble in tight areas is outstanding and his performances this year have led to a couple of call ups to the senior squad.

13) David Duncan, 23 - Midfielder - Joiner

David is an excellent tackler and another player that has great pace and bundles of energy. He is great at dribbling and when he gets going, it takes a lot to stop him. His shying from wing center has been a great advantage to us, putting the opposition defence on the back foot.

14) Jack Kearney, 19 - Forward - Apprentice Scaffolder

Jack recently rejoined the squad after returning to Fort William after a period away. He possesses some excellent stick work and dribbling qualities as well as having a keen eye for a goal. After scoring in the Strathdearn final, he will be looking at getting on the scoresheet again today.

15) Lewis Morrison, 28 - Forward - Roofer

Lewis is an out and out goal scorer and will always pose a threat to any defence when he plays. He is not only a goal scorer, his link up play is also to be admired. He is a great dribbler of the ball, and he will be looking at getting on the scoresheet to replicate his wonderful strike in the Strathdearn final.

18) Struan Stephen, 21 - Midfielder - Joiner

Struan is the engine room and heartbeat of the squad. His relentless running sees him cover every blade of the grass throughout the game, sometimes even twice. He is always keen to push forward to help in attack, and this has led to him bagging plenty of important goals for us this season.

23) Bryan Simpson, 37 - Midfielder/ Assistant Coach - Process Technician

Bryan has played mainly in the middle of the park this year & allows the younger lads to do all his running for him. He has drifted into the forward line at times and has managed to find the net on several occasions and he opened the scoring in the recent Strathdearn final.

24) Graham Campbell, 34 - Forward - Scaffolder

Graham has one of the best first touches in the club. He can control nearly any ball that is played up to him with ease and has been prolific in front of goals this season. His link up play from full forward is outstanding and he has created as many goals as he has scored.

Scott McNeil, Manager - Plumber

Scott has won every senior accolade in the game as well as representing his country as a player. He has continued his winning ways in his first year of management, winning the Strathdearn Cup and leading this squad to the Sutherland Final. The dog's still barking.

A MESSAGE FROM **KINLOCHSHIEL**

It is with great pride that we welcome you to Blairbeg Park, Drumnadrochit for today's Highland Industrial Supplies Sutherland Cup Final.

Cup Finals like todays do not take place without a great deal of organisation and on behalf of Kinlochshiel I would like to thank everyone who has played a part in preparing for today's final, The Camanachd Association and especially the host club, Glenurquhart Shinty Club and all their volunteers, both of who's efforts to prepare Blairbeg to such a high standard and to run the event today are greatly appreciated.

We would particularly like to thank the competition sponsors Highland Industrial Supplies and their Director Garry Mackintosh for supporting shinty in this way and our own sponsors, Eilean Donan Castle for all that they do for our Club.

There is another group who deserve a huge thank you today and that is the match officials. Can I make a personal request, please treat these guys with the utmost respect throughout today's events, without them there would be no Shinty for us to get passionate about. Let's keep that enthusiasm positive so that everyone can enjoy the game!

We would like to say to both teams, good luck today, make it a final to remember, enjoy the occasion, let shinty be the winner and may the best team win (as long as it's Kinlochshiel)!

SHINTY MEMORIES SCOTLAND

Shinty Memories Scotland (SMS) continues to grow its reach, supporting groups across the country that use shinty's stories, images and heritage to help people living with dementia, depression and loneliness.

The annual Shinty Memories Golf Day was held on 31 August at Newtonmore Golf Club and proved a resounding success, with excellent support from across the shinty community. Fundraising events such as this are vital in helping SMS expand its work and provide more resources for local groups.

Looking ahead, a Shinty Memories Scotland Forum will be hosted at Am Fasgadh, Highland Folk Museum, and Newtonmore Golf Club on Saturday 4 October. The Forum will bring together groups, volunteers and those with an interest in the project. SMS strongly encourages anyone keen to learn more or to get involved to attend. *Places can be booked by email badenochshintymemories@gmail.com.*

Across the country there are established groups in Beaully, Lovat and Badenoch, with new activity developing in areas such as Bute and Inveraray. All groups are supported with specially prepared resources drawn from the sport's archives, including cards, photographs and quizzes, while further digitisation projects will continue to make shinty's rich heritage more accessible.

The work of SMS also contributes directly to the Camanachd Association's Heritage Committee and will play a key role in the new exhibition space at the Bught Park – Shinty's Story – Sgeul na Camanachd.
