

Appointment of Accountants

As part of the Camanachd Association's Procurement Process to ensure that we are obtaining best value in this area, we are required to undertake a Tendering Process on a three yearly basis, three local companies were invited to tender on 11th October 2021 with a closing date of 29th October, this was also advertised on our website.

Tenders were received from two companies and after due consideration the Board are pleased to recommend Members approve the appointment of **Azets** formally Scott-Moncrieff for a further three-year period (2021-2023).

Their proposal represented best value for money and we have also enjoyed a good working relationship with the company since 2008 (previously called Calandar Colgan).

We have every confidence in **Azets** ability to continue to provide the Association with an excellent level of service in the period ahead.
