

14 - NGB Education Services Menu

Introduction

This resource supports NGBs in meeting Assurance Framework requirement 14. The following document sets out the Education support mechanisms that are available to NGBs. The table is set out into four areas of support: **People & Education, Events, Resources and Information & Communication.**

Where additional services and resources can be purchased this is highlighted. Services and prices are accurate up to 31 March 2022 and are subject to review and amendment at any time through the year. For further information and enquiries please contact education@ukad.org.uk
