Where this offence is by a player, named substitute or a team official a “Misconduct Report” must be completed and forwarded to the Camanachd Association Office within 5 days of the game. If the offence is committed by someone other than a player named in the team lines for that game a “Special Report” must be completed and forwarded to the Camanachd Association Office.

For the purposes of this byelaw, a “Team Official” shall be defined as a team manager, coach, assistant coach, physio, trainer, club office bearer or any other club related persons who may from time to time make up the touchline support.

- 1.5.4 In no case shall the referee consider the intervention of a goal judge if he/she, him/herself, has seen the incident and, from their position on the field, is better able to judge.
- 1.5.5 The referee can only reverse his/her decision so long as the game has not been restarted.
- 1.5.6 If the Referee has decided to apply the advantage clause and to let the game proceed he/she cannot revoke his/her decision if the presumed advantage is not realised, even though he/she has not, by any gesture, indicated his/her decision. This does not exempt the offending player from being dealt with by the Referee.
- 1.5.7 The Referee shall not allow any person to enter the field until play has stopped, and only then if he/she has given them a signal to do so. This applies to club trainers, etc.

Decisions of Interpretation

- 1.6.3 Goal Judges, where neutral, shall draw the Referee's attention to any breach of the Rules of Play of which they become aware if they consider that the Referee may not have seen it; but the Referee shall always be the judge of the decision to be taken. Goal Judges shall not change ends at half-time.

 - c) The half-time interval shall not be of more than ten minutes duration.
 - d) The ball must be in play when each half is terminated.

Decisions of Interpretation

- 1.8.2 The duration of the game may be less than 80 minutes division 1, 70 minutes division 2 if a shorter period is mutually agreed upon and it is permissible under the Rules of the Competition. The agreed time shall be divided into two equal periods.

1.9 Start of Play - The Throw-Up

- 1.9.1 Throw up times are to be arranged by the home team between 1-3pm unless mutually agreed by both teams. Saturday games can be arranged between 12-4pm, unless mutually agreed by both teams. In the case of the start time being delayed by the away team being late, the waiting time is 30 minutes after which the home team can take the points unless there are exceptional circumstances. In the case of exceptional circumstances, or travel delay then the away team would be expected to get in touch with the home team by phone before the throw up time.
- 1.9.2 At the beginning of the game, choice of ends shall be decided by the toss of a coin.
- 1.9.3 The Referee having blown his whistle, shall start the game by throwing up the ball to a minimum height of 12 feet (4 metres) between two opposing players standing at the centre spot, at least 3 feet (1 metre) apart, with their camans crossed above head level. The players shall not shift their stance until the ball is struck in the air or touches the ground. No other player shall be within 5 yards (5 metres) of the centre spot until the ball has been played. A goal scored direct from a throw-up shall count.
- 1.9.4 After a goal has been scored the game shall be restarted in like manner.
- 1.9.5 After half-time (when restarting after half-time) ends shall be changed and the game restarted in like manner.
- 1.9.6 After any temporary suspension (when restarting after a temporary suspension from any cause not mentioned in these Rules of Play, provided immediately prior to the suspension the ball has not passed out of the field of play) the Referee shall throw the ball up at the place where it was when play was suspended.

Decisions of Interpretation

- 1.9.7 If the ball, when thrown up by the Referee, strikes one or both of the camans, it shall again be thrown up to the required height by the Referee.
- 1.9.8 If the two centre players are one left-handed and the other right-handed, each shall have choice of her side in the throwing up for one half of the match.

- 1.10.2 The team scoring the greatest number of goals during a game shall be the winner; if no goals, or an equal number of goals, are scored, the game shall be termed a "draw".

Decisions of Interpretation

- 1.10.3 Rule 1.10.2 defines the only method according to which a match is won or drawn; no variations whatsoever can be authorised. A goal cannot be allowed if the ball has been prevented by some outside agency from passing over the goal-line. If this happens in the normal course of play, other than at the taking of a penalty-hit, the game must be stopped and restarted by the Referee throwing up the ball outside the Eight Metre (Eight Yard Area) at a point nearest to where the interference took place.

1.11 Ball In and Out of Play

- 1.11.1 The ball is in play at all times from the start of the match to the finish including:

Decisions of Interpretation

- 1.12.2 Should a player of the defending side commit one of the afore-mentioned offences within the Eight Metre Area (Eight Yard Area) she shall be penalised by the award of a penalty hit.
- 1.12.3 A penalty-hit can be awarded irrespective of the position of the ball, if in play, at the time an offence is committed within the Eight Metre Area (Eight Yard Area).
- 1.12.4 A player may stop the ball with one foot provided that it is at rest on the ground at the moment of contact
- 1.12.5 A player may stop the ball with both feet while she is moving provided that both heels are together at the moment of contact. If both feet are off the ground at the moment of contact, the Referee shall be the sole judge of whether or not the player intentionally kicked the ball.
- 1.12.6 A player is allowed to play an opponent's caman with her own caman to "block", "hook" or "cleek" a caman which is within striking distance of the ball. "Cleeking" a caman from below is permitted but lifting an opponent's caman excessively to the risk of injury is foul play. Similarly knocking aside an opponent's club in the air before the arrival of the ball is foul play. Hacking down onto an opponent's caman is not permitted under any circumstances.
- 1.12.7 If, in the opinion of the Referee, a player deliberately hits the ball out of play to waste time the Referee shall caution the player for unsporting conduct and award a free hit.
- 1.12.8 Hitting the ball with one hand on the caman is not a foul, unless, in the opinion of the referee, the caman is being swung in a dangerous manner.

1.12.9 Hitting the ball while lying on the ground is not a foul, unless in the opinion of the referee the player endangering herself when attempting to play the ball or she is swinging her caman in a dangerous and reckless manner while still lying on the ground

- i) She is guilty of swearing and foul language (including self-frustration directed at oneself) after a verbal warning;
- j) She is guilty of deliberately preventing a clear goal scoring opportunity through foul play

Decisions of interpretation for byelaw 1.13 h:

A warning for persistent fouling shall be issued after a minimum of three fouls has been committed by an individual player. The warning must be specific to the player and it must be made clear that a caution will follow if the player continues to foul. It is NOT appropriate to issue a general warning to players such as “the next man in the defence who fouls will receive a caution”. The same procedure will apply if a further caution is to be issued to an individual player for persistent fouling.

Decision of interpretation for byelaw 1.13 i:

The guidelines which have been in place since 2016 require that should a player be heard to swear by the referee or use other foul language then the player shall be warned if he repeats the offence a caution will be issued. Should the player continue to swear after receiving a caution then a second caution shall result in the player being dismissed. If the swearing is aggressive or abusive or directed specifically at the referee or a goal judge, then there are grounds for immediate dismissal of the offending player from the field of play as defined in byelaw 1.14b.

Decisions of interpretation for byelaw 1.13 j:

The referee is required to judge whether the foul play was deliberate AND that a clear goal scoring opportunity existed. Otherwise only a free-hit should be awarded to the attacking team.

1.14 Sending off Offences

A player shall be sent off the field of play if he/she is guilty of:

- a) Violent Conduct

Note: Eight Metre (Eight Yard Area) includes the goal area between the goal line and the nets.

1.15.2 Punishment

For an infringement of this rule a free-hit shall be taken by a player of the defending side from the place where the infringement occurred.

Decisions of Interpretation

1.15.3 A player is considered to be off-side if any part of her body or stick is within the Eight Metre (Eight Yard Area) before the ball enters that area. A player who steps over the bye-line to avoid being off-side shall not be allowed to enter the field of play while the ball is within the Eight Metre (Eight Yard Area) .

1.16 Bye-hit

1.16.1 When the whole of the ball passes over the bye-line, either in the air or on the ground, having been last played by one of the attacking side, it shall be hit direct into play from a point within the Eight Metre (Eight Yard Area).

1.18 Hit-in

1.18.1 When the whole ball passes over the side-line, whether in the air or on the ground, it shall be hit into play, by an overhead hit, by a player of the team opposite to that of the player who last touched it.

1.18.2 In taking the hit the player shall stand outside the side-line, facing the field of play, with both feet on the ground and in a position square to the side-line. The caman shall be withdrawn directly overhead. and at the time of contact both the ball and the caman shall be directly overhead. If the player taking the hit misses the ball entirely the opposing team shall be awarded the hit-in. The striker shall not play the ball a second time until it has touched or been played by another player. No player shall be within 5 metres (5 yards) of the striker when the hit is being taken.

1.19.1 A free-hit is awarded for any infringement of the Rules, except by a defending player within the Eight Metre (Eight Yard Area) and shall be taken by the opposing side, from the place where the offence occurred.

1.19.2 The ball must be struck by the club, or scooped, and it shall not be deemed in play until it has travelled the distance of its own circumference.

1.19.3 No player shall be within 5 metres (5 yards) of the striker while the hit is being taken. The striker shall not play the ball a second time until it has touched or been played by another player. A goal from such a hit shall NOT count.

1.19.4 Punishment

If a player taking a free-hit plays the ball a second time before it has been played by another player, a free-hit shall be awarded to the opposing team.

Decisions of Interpretation

1.19.5 The Referee has the discretionary power to refrain from awarding a free-hit if, in his/her opinion, it will benefit the offender.

1.19.6 If any player stands within 5 metres (5 yards) of the striker when the hit is being taken, the Referee has the discretionary power to order the hit to be retaken.

1.20 Penalty-hit

1.20.1 A penalty-hit is awarded for any infringement of the Rules by a defending player within the Eight Metre (Eight Yard Area) and shall be taken by the opposing side from the penalty spot. When the hit is being taken, all players, with the exception of the player taking the hit and the defending goal-keeper, shall be within the field of play but outside the 5 metre (5 yard) semi-circle behind the penalty spot.

1.20.2 The defending goal-keeper must stand, without moving her feet, on her own goal-line until the hit is taken.

BYELAW 5 CHILD PROTECTION & PROCEEDURES

Any concerns you have regarding child protection should be passed onto the local CA Development officer and the WCA President immediately who will act as a link with the CA child protection coordinator.

5.1 Child protection policy and procedures

5.1.1 (a) The Camanachd Association accepts that it is the responsibility of every adult to protect children from abuse. All children have the right to be protected from all forms of abuse and discrimination and to be treated equally regardless of age, gender, racial origin, culture, religious belief, language, disability or sexual identity.

(b) Child abuse, particularly child sexual abuse can arouse strong emotions in those facing such a situation and it is important to understand these feelings and not allow them to interfere with our judgement about any action to take.

5.1.2 Abuse can occur within many situations including the home, school and the sporting environment. Some individuals will actively seek employment or voluntary work with children in order to harm them. Everyone working in shinty – in a paid or voluntary capacity, together with those working in affiliated associations – has a role to play in safeguarding the welfare of children and preventing their abuse.

5.1.3 A coach, instructor, teacher or volunteer may have regular contact with children and be an important link in identifying cases where a child needs protection. When establishing guidelines to protect children, it is important to recognise that the organisation has both a moral and legal obligation to ensure it provides the highest possible standard of care.

5.1.4 The Camanachd Association recognises that it has a responsibility to:

(a) Safeguard and promote the interests and well-being of children with whom it is working;

(b) Take all reasonable practical steps to protect them from harm, discrimination, coercion, degrading treatment; and

(c) Respect their rights, wishes and feelings. Child protection policies and procedures can:

(d) Offer safeguards to the children with whom we work, and to our members of staff, volunteers and those in affiliated organisations.

(e) Help maintain high standards of professionalism and practice within the Camanachd Association and affiliated organisations.

5.1.5 To help prevent abuse of children, all individuals, clubs and affiliated associations are held, by virtue of their membership of the Association, to have committed themselves to the implementation of this policy. It is the responsibility of club officials to ensure that everyone involved in the care of children is aware of and has access to, this policy and accompanying procedures and guidance that the Association will publish, and knows what to do if there are concerns about abuse.

5.2 Principles

5.2.1 This policy and accompanying procedures and guidance, are based on the following principles:

- (a) The child's welfare is paramount.
- (b) All children whatever their age, culture, disability, gender, language, racial origin, religious belief and/or sexual identity have the right to protection from abuse.
- (c) All suspicious and allegations of abuse will be taken seriously; and responded to swiftly and appropriately.
- (d) Anyone under the age of 18 years should be considered as a child for the purpose of this document.

5.2.2 Working in partnership with children and their parents/carers is essential for the protection of the children. The Camanachd Association recognises the statutory responsibility of the social services department to ensure the welfare of children and is committed to working together with the local agencies and Area Child Protection Committee (ACPC) and to complying with their procedures.

 - 5.5.1 This policy and accompanying procedures and guidance will be regularly monitored and reviewed:
 - (a) In accordance with changes in legislation and guidance on the protection of children or any changes within the Camanachd Association.
 - (b) Following any issues of concerns raised about the protection of children within the game of shinty.
 - (c) In all other circumstances, at least annually.
