Player Pools

BYELAW 3.10.1.C - The Sir William Sutherland Cup

c) The Sir William Sutherland Cup

Each two-team club shall submit a list of ten recognised First Team Players (The Player Pool) who will not be eligible to play in any league or cup competition for a reserve team.

These names must be in the hands of the Chief Executive Officer (CEO) one week before the commencement of the competition each year.

The CEO will consider written applications for alteration to the list at any time up until 7 days before a match is due to be played. The Chief Executive Officer shall have the authority at any time to request substitution of any players not playing on a regular basis. No amendment to the Player Pool shall be permitted after 1st August.

Failure to submit a team pool by the stipulated date shall result in the club being automatically fined a sum of £20.

In addition, a player is ineligible to play in the Sir William Sutherland Cup Competition if he has played five or more first team matches [in the Premiership or National Division](#); or [five or more matches for a first team or single team in North Division 1 or South Division 1](#). A player under the age of 17 on the 1st January of the year of competition will be exempt from this rule.

The Chief Executive Officer shall have the authority at any time to request substitution of any player(s) not playing on a regular basis.

All player pools shall be distributed to member clubs prior to the commencement of the season for your information

Bullough & Strathearn Cup Eligibility

Eligibility is as per Sir William Sutherland Cup Rules.

3.10.3 e) 2

A player is ineligible to play in league matches for their clubs reserve team if they have played 75% or more of the clubs scheduled first team League Matches. A player under the age of 17 on the 1st January of the year of competition will be exempt from this rule.
